### **Stephen Duncan Earns RRO Designation**

Stephen Duncan with Roof Management Consultants Ltd in Waterloo, ON has earned the title REGISTERED ROOF OBSERVER (RRO) from RCI, Inc., the Institute of Roofing, Waterproofing, and Building Envelope Professionals. Duncan qualified for this designation by meeting the requirements of a two-part program based on verifiable levels of education, ethics and experience, and successfully completing an examination. Duncan now joins an elite group of over 400 Registered Roof Observers in the U.S. and Canada.

The RRO registration is administered by RCI from its international headquarters in Raleigh, NC and is rapidly gaining recognition throughout North America as a key element preferred by building owners, public and private, when retaining the services of a roof quality assurance observer.

The Institute was founded in 1983 as a 501 (c)(6) nonprofit organization and its professional members offer unbiased design, repair planning, quality assurance, legal testimony and general roofing, waterproofing, and building envelope services. RCI's roof observers adhere to a strict code of ethics that offers unprejudiced professional services without affiliation with any product or manufacturer.
